Other News:

Work is in progress to order more of our favourite disc from DiscCraft with a brilliant new design. Will be \$20 per disc

Easier Tournament/Event management is on its way:

To make AU events more fun for everyone (players and organisers), your exec is currently compiling documents to assist in the planning, running and financial management of these events. Once in place, being a TD will be something anyone can cope with. If you want to give it a go, let us know!

Improved AU membership structure:

Efforts are underway to make being a member of AU a more official affair. With added structure to our club AU will have better chances to pursue sponsorship, which can then be passed onto you, the members.

Want More Information?
